EDUCATION

Nevada State University

2015 - 2018

I hold a bachelor's degree in Business Management and Marketing, accompanied by a minor in Entrepreneurship. Throughout my academic journey, I maintained a 3.75 GPA while simultaneously managing a startup. Additionally, I took on the role of a founding member of the Society of Advanced Management (SAM) school's chapter, further demonstrating my commitment to professional growth and leadership within the field of management.

CERTIFICATIONS

Project Management Certification from Google on Coursera, covering all aspects of project and portfolio management.

Credential for all Major Conferences from Trefis, recognizing my expertise in business analysis and market insights.

WORK EXPERIENCE

Free World Development – Director of Operations and Board Member

June 2022 – Present

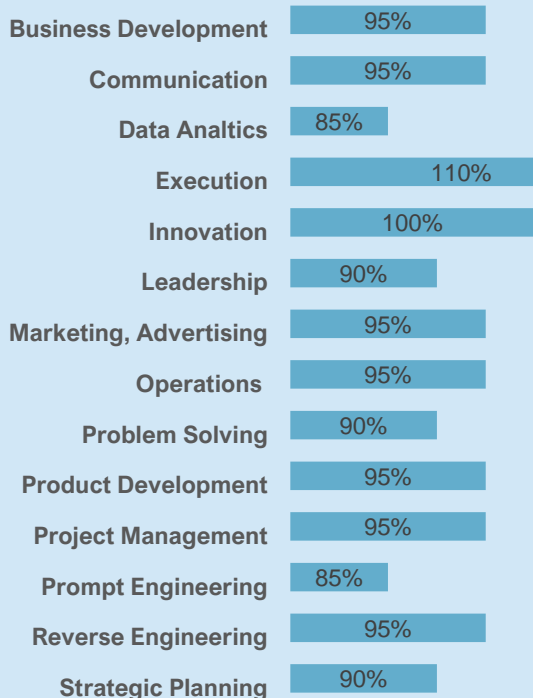

- Orchestrated a \$100 million project in Sierra Leone, expanding energy generation capabilities and mitigating water contamination issues by establishing a waste-to-energy facility and expanding the solar grid infrastructure.
- Fostered collaboration with regulatory bodies and international organizations to ensure regulatory compliance and successful execution of high-profile projects.
- Played a pivotal role in boosting tourism and economic development in Sierra Leone by securing funding and managing the execution of diverse projects across various sectors.
- Spearheaded community impact initiatives, delivering tangible improvements to the welfare and development of the local community through strategic planning and execution.

Various Enterprises – Business & Innovation Consultant

June 2019 – Present

- Provided strategic support to the former Attorney General of Nevada in launching his book "Millennial Samurai," coordinating logistics, marketing, and distribution efforts.
- Offered expertise as a virtual reality consultant to a media production company, crafting immersive 360-degree music videos with seamless transitions between virtual environments.
- Directed the launch, marketing, and sales of Non-Fungible Tokens (NFTs) for multiple artists, optimizing campaigns on various e-commerce platforms.
- Managed and developed innovative technology solutions for diverse clients, including financial systems, e-commerce platforms, and augmented reality technologies, driving operational efficiency and growth.

STATS

Process Improvement: Efficiency virtuoso, fine-tuning operations for peak performance.

Results-driven: Unyielding pursuit of success, turning aspirations into tangible achievements.

Rush Hour Media – Co-Founder & President

June 2018 – 2021 – Ceased Operations Due to COVID-19

- Provided strategic leadership, aligning daily operations with company vision to drive efficiency and productivity.
- Fostered strong client relationships, resulting in significant growth within key categories and sustained business success.
- Pioneered an innovative advertising solution benefiting all stakeholders, enhancing network value and revenue streams.
- Introduced and integrated new technologies to adapt to challenging environments, improving operational effectiveness.
- Achieved rapid growth, scaling company operations to 40 display screens in just 3 months, showcasing agility and scalability.

Comped Marketing – Co-Founder & Operations Officer

July 2016 – May 2018 – Acquired and Merged with Ride Play TV

- Led the end-to-end development of a sophisticated cloud application incorporating Artificial Intelligence, from conceptualization to the final product.
- Recognized and invited to participate in IBM's Global Entrepreneur Program, a testament to exceptional entrepreneurial skills and innovative ideas.
- Successfully established a company from scratch, on a limited budget, scaling to include 100 tablets installed in rideshare vehicles across the Los Angeles and Las Vegas markets.
- Forged strategic alliances with prominent corporations, facilitating business expansion and diversification.
- Pioneered the concept of "rideshare advertising" and developed a marketable advertising solution tailored specifically for rideshare vehicles, becoming the first to coin and capitalize on this term.

Trefis - Jr. Analyst

May 2013 – 2016

- Earned credentials to cover all technology conferences, demonstrating expertise in the field and establishing credibility as a trusted industry commentator.
- Conducted comprehensive analyses on business intelligence, emerging technologies, and industry trends, providing valuable insights to support strategic decision-making.
- Engaged with top-level executives to align their company's new products or services with market demands to maximize market potential.
- Served as a knowledgeable resource for investors and conferences, delivering valuable insights on disruptive business trends and helping stakeholders navigate the ever-changing business landscape.

Miyaki Productions – Executive Producer

2010 – 2014

- Orchestrated a diverse range of events, ranging from small-scale to large-scale, across various locations in California.
- Produced local network commercials for small to medium enterprises, driving increased return on investment (ROI) for clients.
- Implemented and managed sponsorship programs, fostering strong customer relations and expanding brand reach.
- Skillfully managed logistical challenges, leveraging creative solutions to overcome obstacles and ensure smooth event operations.
- Developed impactful marketing and advertising materials, continuously monitoring, and adjusting them based on A/B testing and performance metrics to optimize ticket sales.
- Led the acquisition and implementation of an innovative bar management solution, enhancing efficiency and customer experience within the organization.
